OUR STORY
Noblesville schools is fortunate to have an outstanding choral music department. In 2022, Noblesville was named a Best Community for Music Education winner by the National Association of Music Merchants (NAMM) Foundation for the seventh year in a row. Our choirs are regularly recognized as some of the best in the state.

OUR IMPACT
Our 275 choir students are exposed to a rich experience, one which has been shown to increase social skills like teamwork and collaboration, as well overall learning skills, like memory and language skills. Students develop friendships and a love of music, with multiple students from the choir department going on to pursue college education in music education or performance each year.

OUR NEED
Our choirs travel the midwest showcasing their work. This involves costumes, sets, and competition fees. We want all students to be able to participate, regardless of their ability to pay. Your donation allows us to continue to provide high quality experiences at an affordable price. We are also working to create an annual scholarship for choir seniors.
