Board Elections

Kelly Davisson

Our family has loved being part of the Noblesville Choir program, and it has been so fun watching our daughter, Coryn, finish her freshman year in Sensation and prepare to join New Dimension next year.

I joined the choir board last year and have really enjoyed getting more involved with the program and getting to know the students, parents, and everything that goes into making the season successful.

I'm passionate about improving communication, increasing transparency, and making it easier for parents to get involved in ways that feel clear, welcoming, and manageable.

Liz Williams

I'm a 2 time Singers parent, Kage (Class of '21) and Rhys (Class of '28)

I would be a strong candidate for a CPO because I've seen firsthand how much this program benefits students and it's been an extremely meaningful experience for our family over the years!

Having already gone through the program with one child, I understand the time, coordination, and support it takes behind the scenes. I've also stepped up again to serve as fundraising chair, because I enjoy helping create opportunities that directly support the choir's success.

Most importantly, I care about creating a positive, encouraging environment where all students can grow and feel supported. I'd be glad to give back to a program that has already given so much to my family. Thank you!

Shannon Oukada

I am a wife & a working mom of 3 great kiddos.

I'm a friendly, involved parent with a current freshman and a sixth grader in show choir and theatre. My husband Chris and I are excited to be a part of this program for many years to come.

We've always volunteered and supported our kids' activities, and I truly enjoy helping people, especially through planning events and bringing others together.

With a senior as well, I understand how quickly these years go and value being a part of the experiences that mean so much to our kids and their friends.

Melinda Reeves

I have been a show choir parent for the past 4 years: 2 with West Side Sound, 2 with Sensation, and I will be a New Dimension parent next year.

As a Noblesville graduate and current Noblesville Schools tech department employee, my love for all things Millers runs deep. I've seen first hand how much this program means to our kids, how hard each of them work to be the best they can be, and I am eager to help the choir program run as smoothly as possible.

By joining the board, my goal is not only to support technology needs, but to also be a bridge between the NHSCPO and our directors; to make sure things are communicated well, that questions/concerns are heard and answered, and the choir program as a whole is supported.

Heather Bennett

My daughter, Lillian Bennett, is completing her sophomore year with New Dimension and has been placed in NHS Singers for next year.

I have spent many years being a show choir parent with my oldest daughter participating in show choir since 7th grade and graduating in 2020 and now Lillian participating since 7th grade. I have been actively involved in volunteering for show choir over the years and, with Lillian being the youngest child, I have more time to dedicate to volunteerism and supporting the activities she loves.

I am interested in filling an NHS CPO Board position to help support the choir program for NHS in a leadership role. I am attentive, organized, and inventive and will strive to help the program continue to thrive.

Brittney Robertson

I'm a mom of 3 with a Bachelor's in Business Administration and an MBA, a 2006 NHS graduate, and a former member of the NHS choir program—making this community especially meaningful to me.

My daughter has been involved with Noblesville choirs since 6th grade, and the department holds a truly special place in my heart.

I bring a strong blend of organization, clear communication, and a deep commitment to supporting student success, along with a passion for fostering a positive, transparent, and equitable experience for all choir families.
